

Our food worker testing area and waiting room are small and are designated as quiet areas. Please be courteous to others and follow these rules:

General:

- ◆ Cell phones must be turned off in the testing area.
- ◆ No talking while in the testing area.
- ◆ Those taking the test or waiting who do not obey the rules and/or are otherwise disruptive will be asked to leave.

Bringing Family and Friends:

- ◆ Our testing area and waiting room are not set up for small children. Please consider childcare arrangements for your child while you complete the course and test. If you must bring your child, please bring a book or small toy so your child can play quietly.
- ◆ If there is room available, friends or family members are welcome to wait for you in our waiting area. We ask that they remain quiet and do not disrupt you or other testers or we will ask that they wait for you in the first floor lobby.

Bringing Groups:

- ◆ We have 12 testing stations available. Medium or large groups can be difficult to accommodate during busy times. If you plan to bring in a group of six or more to test, please contact us ahead of time at 324-1563 so we can discuss possible times or other arrangements.
