Riverfront Park / Gonzaga University Loop

Riverfront Park was created to host the 1974 World's Fair. Today, this 100-acre park is home to many of Spokane’s largest events, including Bloomsday (May), Hoopfest (June), Fourth of July Celebration, Kids’ Day (August), and Pig Out in the Park (Labor Day weekend). The park offers spectacular views of the Spokane falls from its many bridges, a sculpture walk, and several picnic areas. Pets must be on a leash; during large events or holidays pets are prohibited.

Route type: Paved Trail
Distance: --- 0.6 miles / --- 2.2 miles (entire loop)
Steps: 1,200 / 4,400
